SASGOG Research e-Letter

March 2023

RESEARCH NEWS & EVENTS

2023 Annual Meeting Abstracts

We received almost 100 abstract submissions for the 2023 Annual Meeting. Our all-time largest quantity of abstracts! Watch your mailbox for notification of abstract acceptances. The Annual Meeting will feature oral presentations on the top three abstracts. The Meeting will also include our the SASGOG-CUCOG Abstract Poster Reception where approximately 50 authors will be presenting abstract posters.

Women's First Research Coalition (WFRC) and Endometriosis Awareness Month

WFRC announced that Senators Tammy Duckworth (D-IL) and Shelley Moore Capito (R-WV) have introduced a resolution designating March as Endometriosis Awareness Month. The WFRC was pleased to review the draft resolution before introduction and to officially endorse the resolution again this year. Here is the [press release](#), which recognizes the WFRC's support.

SASGOG is a WFRC supporting society.

Coming soon!

SASGOG will announce two new annual awards related to research publication at the Annual Meeting.

- **Best Manuscript from a SASGOG Abstract Award** will provide monetary recognition to the best manuscript published based on an abstract presented at the 2023 Annual Meeting.

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

provide recognition, an opportunity for national presentation, and annual meeting registration fee waiver, for the SASGOG member who has published a paper of excellence in the calendar year preceding the publication deadline - July 2023.

Lessons Learned

Lessons Learned by PROGRESS Research Course Attendee—An interview with a PROGRESS Research Course 2022 Attendee, Shawna Tonick, MD, University of Colorado

Dr. Tonick shares her recent experiences increasing her confidence in all things research-related during the SASGOG PROGRESS course.

RESEARCH FELLOWSHIPS

Publicizing Your Active Research Studies

Do you or your institution have an active research study that is applicable to academic specialists in general obstetrics and gynecology? SASGOG is happy to promote research studies to our members. Here's what you'll need:

- Study is submitted by a Supporting Institution, or one of the study investigators is a SASGOG member.
- A copy of the approved IRB.
- A descriptive title of the study and a brief description of the study.
- A link to the study survey and a link to a website that has more information about the survey.
- The start and end date of the study survey.

Submit information about your research study via the button below.
